

## **Reflective question and practice from Sunday March 26**

**Question:** Prayerfully discern who you most identify with in the three texts we looked at this morning: (1) the rich ruler (you do not have to be rich to identify with him); (2) the disciples; (3) the blind beggar? For your situation and who you most identify with, what do you need to ask Jesus to do for you?

**Practice:** Pray this breath prayer—breath in “Jesus, Son of David, have mercy on me”—practice this prayer throughout the day and week. Pay attention to how God may use this prayer to influence and change you.
